

Contest Rules:

1

Your lighting project must only use the FX Luminaire line of Low Voltage Exterior Lighting Components. In order to win, the photo must be a night-time photo only. You may submit day-time photos for our use, however, they will not be eligible for prizes.

2

Photos can be submitted online by visiting www.fxl.com/photocontest and clicking on the link to upload photos (up to 1MB). Or, you can send in a CD. The photos must be at least 300 dpi, and in jpeg, psd, raw or tiff format. Include all of your contact information with the disk. *Note: We recommend that you stuff your files using Stuffit Expander, or similar program.*

Send disks to:

The winning photographs will be selected by FX Luminaire.

FX Luminaire will hold the photo contest on a monthly basis. We reserve the right to not have 1st, 2nd, and/or 3rd place winners in any particular month. You may submit as many photos as you like during any month or year. Your photo will be kept on file for one year, making it eligible to win during any month (ex: if you send in a photo in January, and it doesn't win, it will be reentered for the rest of the year until it wins or a year has passed.)
