

The CL down light was created to be a high quality fixture for fine landscapes or architectural structures such as trellises, arbors, or dining pavilions. The CL is precisely machined from solid copper which blends beautifully with redwood surroundings and finely crafted structures. Similar to recessed lighting used indoors, the CL produces glare-free illumination without being intrusive.

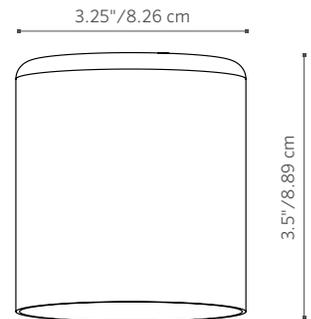

CL: Down Light

Long-Term Contribution

Milled from solid copper, the CL is engineered to make a long term contribution to any fine project. Compare FX copper luminaires with any other, and you will find a dramatic difference in quality of materials, precision of fit and consistency of finish.

Note: This fixture is designed for down lighting only.

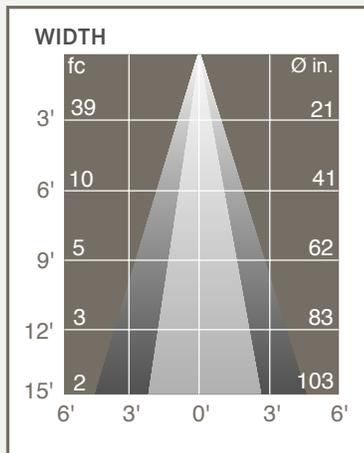

CL: Down Light

FACTORY INSTALLED OPTIONS: Order 1 + 2 + 3

Step	Description	Code
1	FIXTURE	CL
2	LAMP	20 (32° beam), 20N (18° beam), 20V (6° beam), 35 (32° beam) All 2,000 Hr Halogen
3	FINISH	CU, NP, WG, FW, AL, BZ, DG, WI, VF, SB, FB

EXAMPLE: **CL-20-SB** = CL - 20W Halogen Lamp - Sedona Brown Finish

PHOTOMETRICS:

20 Watt

KEY

∅: circle diameter in inches at that distance from the lamp.

fc: footcandle

For approximate conversion to lumens, multiply footcandles by 10

METALS

 **CU** = Copper

 **NP** = Nickel Plate*

POWDER COAT

 **WG** = White Gloss

 **FW** = Flat White

 **AL** = Almond

 **BZ** = Bronze Metallic

 **DG** = Desert Granite

 **WI** = Weathered Iron

 **VF** = Verde Speckle

 **SB** = Sedona Brown

 **FB** = Flat Black

The CL includes choice of halogen AR-11 lamp and choice of finish.

* May require longer lead time
